# 26–28 June 2026 Maritime Mountain Race

## Email Signatures

### How to create your MMR 2026 event signature and add a link to the event website

- In this folder there are two email signature banner options for you to choose from:
  - Email Signature\_Find Out More
  - Email Signature\_Donate Now
- Review both files and save the version you would like to use.
- In your email inbox, navigate to 'Email Signature'. In Outlook this is found in View/Settings/Accounts/Signatures.
- Create a New Signature.
- Insert the contact details you wish to include as usual and then click the 'Insert Pictures Inline' button to insert your chosen email signature banner.
- Once your banner has appeared, highlight or right click the banner image and the toolbar will appear with the 'insert link' button visible.

- If you have selected the Email Signature\_Find Out More option, please insert this link:  
<https://www.maritimemountainrace.org/event-information/>
- If you have selected the Email Signature\_Donate Now option, please insert this link:  
<https://app.maritimemountainrace.org/make-a-donation>
- Save your new signature, select it as your default for new messages, and share details of your involvement in the event with every email you send!
