

# Maritime Mountain Race Directions from Bouveret to Geneva Airport

## Option 1:

Train from Bouveret-GVA. This involves getting two trains with a change at St. Maurice. The change is very easy to do, but you will only have five minutes to change trains, which could involve going to the other side of the station. If you miss the train it is an hour until the one after.

1. Walk from Culinary Arts Academy Switzerland to Bouveret station (do the reverse of the walking directions).
2. Get the R91 Direction Brig.
3. Take the train 7 stops to St-Maurice.
4. Do the transfer to the IR 90 Direction Genève-Aéroport. Get the train 7 stops to the airport.

## Option 2:

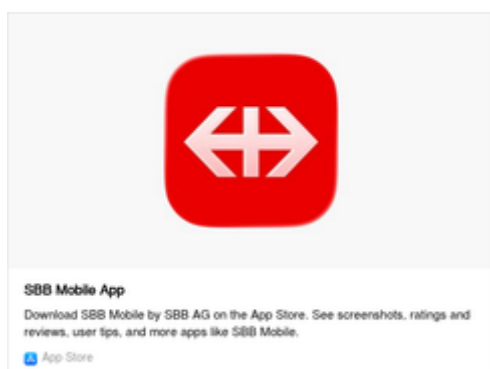

Train from Montreux station-GVA

1. Get a taxi from Culinary Arts Academy Switzerland to Montreux station. You can either use Uber or a local taxi. Call the local taxi company, +41219631515, to book a taxi, or book ahead through their [website](#).
2. Get the IR90 Direction Genève-Aéroport.
3. Take the train 5 stops to Genève-Aéroport.

## SBB Train Tickets:

You can buy train tickets either at a ticket machine, or online/by app. We recommend that you download the SBB app or look online, as that is the best way to see which trains to get, what platform they are on, direction they are facing, and if they are delayed.
